¿Cómo puedo saber mi talla de anillo?

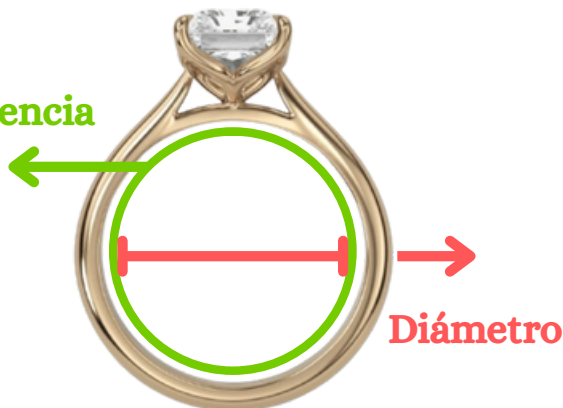

¡Es muy sencillo! Solo necesitas una tira de papel, un hilo y una regla.

1. Rodea la base de tu dedo con el papel o hilo, sin apretarlo demasiado.
2. Marca el punto donde se unen los extremos.

3. Mide con una regla la longitud obtenida. Esa medida corresponde a la circunferencia de tu dedo.
4. Compárala con nuestra tabla de tallas para encontrar la talla que te corresponde.

¿Tienes dudas con tu medida?

No te preocupes. Envíanos la medida en centímetros y con gusto te ayudaremos a identificar la talla ideal para tu anillo de compromiso.
