### ¿Cómo puedo saber mi talla de argolla?

¡Es muy sencillo! Solo necesitas una tira de papel, un hilo y una regla.

1. Rodea la base de tu dedo con el papel o hilo, sin apretarlo demasiado.
2. Marca el punto donde se unen los extremos.

3. Mide con una regla la longitud obtenida. Esa medida corresponde a la circunferencia de tu dedo.
4. Compárala con nuestra tabla de tallas para encontrar la talla que te corresponde.
